The property is divided into two symmetrical apartments, located on the ground and first floors, each measuring approximately 135 sqm. Both units feature a private entrance, a kitchen with living room opening onto a sea-view veranda, three bedrooms, and two bathrooms. An external staircase leads to the rooftop terrace, where you can enjoy a breathtaking panoramic sea view. The basement level offers approximately 160 sqm, currently used as a garage, while the rear garden extends over approximately 450 sqm. The property is habitable and structurally in good condition, but requires maintenance and restyling works.
