In the heart of the historical center, in a former palace of the sixteenth century, beautiful old house currently used as a B & B, located on the second floor above the terrace from which you can enjoy a spectacular view of the historic monuments of the historic center of Lecce. The surface of the floor is approximately 190 square meters. and is composed of 4 rooms with bath plus an additional room on the floor above where, on the area of solar exclusive property of relevance, a panoramic roof garden has been realized, fully equipped for maximum relaxation with sun beds, sofas and armchairs, stone barbecue, crepuscular lighting and piped music. The rooms are of varying size, large, bright, renovated and furnished with particular taste, the furniture has been made specifically on the owner's design and interior finishes such as comfort are of high level. A strategic location in the heart of the city that allows you to reach all the most important monuments on foot in a short time. A B & B which it boasts a number of years great reviews from the most popular portals, increasingly demanded by a wide clientele particularly foreign and located in a particular historical significance the building enough to be reported as interesting example of civil late sixteenth century architecture in Lecce and deserve, consequently , the bond of protection as an object of historical interest.
